The Washingtons played poor ball against the Bostons yesterday afternoon, and the champions captured both games, the first a month past there is little room for censure. The champions are a stiff proposition to go against, and the work of winning the day previous doubtless took ail the ginger out of the locals. O'Neill and Stahl, two of the best players on the team, played unusually brilliant in Wednesday's double-header, but both appeared to be very stale yesterday, and balls that they generally eat up got away from them. Cassidy had another good day, while both Clarke and Kittredge were on edge.

For the Bostons "Chick" Stahl was the star of the afternoon both at the bat and in the field. In the seventh inning of the first game Stahl pulled down Mullin's long fly with his left hand while on the dead run and after he had traveled nearly to the center field fence. On several other occasions he made brilliant catches. At the bat "Chick" was the leader for fair, getting four hits in the first game out of four times up, and in the second he made two out of three times up. Charley Farrell caught a splendid game with a broken finger and tore off one fine single. Parent at short and La Chance at first also did well.

Jack Townsend and Gibson were the opposing twirlers in the first game, the local boy falling short of his usual good, work, while the visitor worked finely after the first inning. Townsend's support was poor

The first inning of the initial game was crowded with excitement. Selbach tried to dodge an inshoot, his bat hit the ball and it rolled into Jake Stahl's hands at first, making an easy out. Parent also first on a fine stop and throw by Cas sidy. C. Stahl and Collins then tore off clean singles and Freeman hit a shor roller toward third that landed him safely on first, filling the bases. La Chance closed the inning with a drive to short that Cassidy and J. Stahl took care of. It was a deep hole and the Senators were lucky to get out of it unscatched.

For the Senators O'Neill got a base on balls and was sacrificed to second by Hill. Jake Stahl was safe on Ferris' fumble. O'Neill taking third. Ferris also fumbled Huelsman's grounder and O'Neill scored Jake Stahl and Huelsman tried to work s Jake Stahl and Hueisman tried to work a double steal, but Farrell threw nicely to Collins and the big first baseman was put out. Mullin hit cleanly into left center and Hueisman raced home. Cassidy also singled, but Donovan filed out to center. This ended the Senators rungenting. This ended the Senators run-getting for the first game, as Gibson braced up thereafter and was given gilt-edged sup-port, five hits being made in the last eight

Boston tied the score in the third inning, the result of Parent's lucky double and singles by C. Stahl and Freeman. In the fourth, the visitors got two more after two men had gone out. Selbach tripled to center and scored when O'Neill dropped Parent's fly. C. Stahl doubled to left and Parent raced home In the eighth, Ferris tried to sacrifice, but

scored a minute later on Farrell's long fly to Huelsman. In the ninth, Boston scored three times.

In the ninth, Boston scored three times. Selbach led off with a single, but was forced out at second by Parent. C. Stahl was passed to first, and Parent scored on Collins' single to right. Freeman went out on a roller to first, Chick Stahl scoring on the play. La Chance followed with a clean single to center and Collins raced home.

Score of first game:

bunched three drives in the first inning and won off Pelty right there. Hynes pitched finely in the second game, keeping the hits fairly scattered. St. Louis hit Stovall often and at the right time. Attendance, 1,000. Score of first game:

### Second Game.

The two left handers, Jacobsen and Tannehill, were the opposing twirlers in the second, and the local boy did far and away the better work, as he held the champions down to six hits in the face of poor support. Tannehill was hit safely nine times. but he was particularly effective with men on bases, and was given perfect support by his team-mates. Tannehill gave a splendid exhibition of his skill in the third inning. Kittredge started off with a single and Jacobsen got a base on balls. O'Neill was hit by a pitched ball, and the corners were all filled, with no one out. Hill and Jake Stahl went out on foul files to La Chance

and Huelsman fanned. Neither side got a man over the rubber in the first four innings, owing to the effec-tive pitching and fast fielding, but in the fifth the Champions broke the ice, scoring two runs. La Chance led off with a fast roller to Hill, which was gathered in neat-ly but thrown poorly to first, and the bat-ter was safe. Ferris sacrificed and Criger filed out to Cassidy. Tannehill then hit to Cassidy, but Joe pulled Stahl off first with a wide throw, and La Chance went over the plate. Selbach doubled to center, scoring, but was put out trying to take third on the hit. In the eighth Boston hung up its third

bach's out at first.

Washington got its lonesome tally over the ruber in the same inning. O'Nelli singled to right, the ball jumping over Ferris' head, and went to second on Hill's clean drive into left. Jake Stahl singled to center seering O'Nelli, but was nut out him-

ter, scoring O'Neill, but was put out him-self trying to take second on the throw home. Hill was left on third, while Huels-man and Mullin struck out. The Bostons went out in order in the ninth, but Kittredge, for the locals, doubled to right with two out and then Clarke, who batted for Jacobsen, closed the game by being called out on strikes.

Score of second game: BOSTON.

OTHER AMERICAN GAMES. Even Break Between Cleveland and

Chicago. Cleveland and Chicago broke even in the former city yesterday. In the first game Chicago could not hit Joss, while Cleveland bunched its hits with Chicago's errors by the score of 8 to 2 and the second, 3 to 1. and won, 6 to 0. In the second game Chi-Off days come to every club, and as the cago did not get a man to first until the Senators have been playing tip-top ball for sixth inning and did not make a hit until the seventh. Errors by Hess and Lush. with scratch hits by Jones, Callahan and Sullivan, gave Chicago three runs in the ninth, winning the game by the score of 3 to 2. Scores:

### IN AND OUT PLAYING.

#### Detroit Won First and St. Louis Second Game

After winning a fast shut-out game, 3 to 0, the Detroits, playing at home yesterday, went to pieces and were easy for St. Louis in the last half of the opening series of Jake Stahl allowed Townsend's throw to go through his hands, and then threw badly to second, the runner pulling up at third, and game was excellent, and he never gave a really good chance to score, while Detroit bunched three drives in the first inning and

### ARMOUR RESIGNED.

Cleveland's Manager Drops Out on Account of Friction.

W. R. Armour has resigned the management of the Cleveland base ball club, to take effect at the end of this season. Armour has been contemplating this movement for some time, for he has been more than dissatisfied with the work of the team. He has worked hard to get a winning team together, but he either met with misfortune or accidents that kept the team down in the league race.

While it has been denied by those inside and the officials of the club, it is very plain that there has been friction between the management and the players. It is also al-leged that there was trouble between Ar-mour and Captain Lajole, and they were not on speaking terms for several weeks during this season. With this dissatisfaction between the manager and captain, it was hard for the players to pull together, and other frictions are said to exist in the club. The owners of the club have paid thousands of dollars to get together a win-

Armour went to Cleveland when base ball was at its lowest ebb, leaving a valuable franchise in Dayton. He has built up a great team of players, but they need some one that can control them and make them work. President Kilfoyle says that there are other changes contemplated

Commissioners Beat Dumbartons.

For the third time this season the Dumbarton and Commissioners clubs met on Georgetown Field Wednesday, and as in the other games the Commissioners were victorious, the score being 4 to 1.

Dr. Lowe was in the box for the Dumbartons, but his curves were easy for the Commissioners at opportune times. Harry Colliflower pitched for the Commissioners and the hard-hitting clubmen were at his mercy at all stages, two hits being all they could be compared to the compared to the could be compared to the could be compared to the c negotiate. Colliflower also made two of the Commissioners' hits. Cranston, one of the members of the Dumbarton club, umpired and gave entire satisfaction.

Arrangements are being made for an exhibition game between these two strong teams to be played one day the latter part of next week at American League Park.

Kensingtons Beat Woodsides.

The second Kensingtons defeated the Woodside team yesterday afternoon by a score of 22 to 8. Kensington led from the start and the game was never in doubt. The score by innings:

Base Ball Notes.

The Bostons wind up their season in this city today, with Dinneen and Patten in the points.

Cassidy got a double play unassisted in the second game when he caught Collins line fly near second and stepped on the sack before Chick Stahl could get back.
The Senators leave for New York tonight where they play a double header tomorrow with the Highlanders, pulling forward Tuesday's game. They also play the New Yorkers Monday and then move on to

Philadelphia for a series of games.

Mullin made a peculiar play on Selbach in the ninth inning of the first game. Selbach had reached first on a single and Parent hit to Townsend. Jack turned and threw accurately to Mullin, but the latter muffed the ball. Selbach thought it was an easy out and overran the sack. Mullin quickly gathered up the ball and touched out Selbach before out Selbach before he could get back to the bag, Umpire Connolly standing over the play and getting it right.

Tannehill had Huelsman and Mullin on his staff in the second game, striking out the former three times and the latter twice.

the former three times and the latter twice.
Joe Cassidy had seventeen chances at short yesterday in the two games and fell down but once, a wide throw to first.
Charley Farrell is reported to have made the statement that Hobe Ferris plays better second than it has ever been played in the history of the game. Lajole was thought to be at least 10 per cent better than the Boston man, while to place him ahead of "Bid" McPhee and Fred Pfeffer seems like rank treason.

Manager-Captain Jimmy Collins appeared to show the strain of the championship race in this last series with the Senators. He has certainly lost his dash in fielding, his throws to short being all short, while at the bat he appears to hit in spots. Maybe he was loading on the Senators. Umpire Tom Brown, who is working in

watched the big score board very intently yesterday and cheered heartily when it was seen that the New Yorks were trimming the Athletics. The Highlanders appear to be popular favorites for the championship, but the Griffithites will have to de great work to nose at the Bostons, as there are many hard games ahead.

The Senators tried to take advantage of Farrell's broken finger in stealing bases, but the veteral thiew unusually accurate, and after being naffed at third Jake Stahl said he believed that broken finger was a fake story so as to take the Senators off their guard.

The New York Nationals have an ambition to beat Pittsburg's record of 103 games won, made in 1902. They are in a fair way to do it at the rate they are now going. The schedule for 1904 calls for each team to play 22 games with every other team. In 1902 the number was 20, so here is one difference which gives New York an advan-ference which gives New York an advan-tage the Pirates did not have. Moreover, in 1902 the Pirates made a percentage of .741, and the New Yorks will have to move fast to beat those figures.

The Montgomery (Ala.) franchise of the

Southern League has been sold for \$5,000 to B. Winters, general manager of the Montgomery Traction Company, and the striking ball players were paid their salaries. League President Kavanaugh sanctioned the sale. This ends base ball troubles in Montgomery, as the new owner is connected with the street rallroad companies on whose lines the games were played last year, and no further injunction proceedings will be had. Southern League has been sold for \$5,000 to

BIG GOLF TOURNEY.

Champion Travis Put Out by George Ormiston of Oakmont.

Old-fashioned matches brought out a new sensation yesterday at the amateur golf championship over the links of the Baltusrol Golf Club, for Walter J. Travis, the title holder and also British champion, met defeat at the hands of George A. Ormiston, the best player of the Western Pennsylvania Association, and for five years deemed a possibility for the national championship. Ormiston won by 3 and 1. He came to this country from North Berwick to Pittsburg when about twelve years old, and has since kept in touch with the old links through visits to Scotland, but Ormiston has learned most of his golf in this country. Chandler Egan was another survivor, and in the afternoon dis-

posed of young Malcolm McBurney. Byers fell by the wayside. "Ormiston beat me by fine golf, aided by the bit of luck that is part of the game and always welcome," was the comment of Travis. "My defeat will let the Britishers know there are others—it has been their fancy to refer to me as in a class alone."

Travis also said that the defeat might change his plans about the Olympic tournament. He had not intended to play in it, but now it may be necessary to go there

for a revenge.
"Archie" Reid of St. Andrews won from Tuckerman of this city in a fine match, by 1 up, Reid's medal score being 83. A. Reid, St. Andrews

Every hole of the Ormiston and Travis match was a treat to watch. Halving the first in 5, Ormiston bagged the next two with a 4 and 3. Travis got the fourth, 5 to 7. They halved the fifth and sixth in 4s, but luck favored Ormiston on the latter, for he nearly halved out from the sixth in 4s, but luck favored or the sixth in 4s, but luck favor for he nearly halved out from grass knee high from the mashie, while Travis had his 4 in "orthodox" golf.

Luck again helped Ormiston to a half on the seventh, for he laid Travis a stymie, who would otherwise have won the hole. The eighth, an unlucky hole throughout The eighth, an unively hole throughout the tournament to Travis, Ormiston captured cleverly in 3 to 5. But the ninth Travis won in a spectacular way, 3 to 4, by negotiating a stymic. Ormiston's ball was on the lip of the cup and Travis' ball only eight inches off, yet the latter lofted it safely over with his niblick and gained the hole. The outward journey had been 40 to 41, with Travis 1 down.

Dropping his tee shot nicely on the 184-yard tenth green, the ball rolled so near the hole that Ormiston won it in 2 to 3. Travis had the eleventh in a well-earned 5, but good luck enabled Ormiston to steal the twelfth from him. The Pittsburger

the twelfth from him. The Pittsburger was in the bunker on his second, pitched over on his third and then holed out from the green with his mashie for a 4, so that Travis' careful 5 was of no avail. A 4 on the fourteenth enabled Travis to cut the lead to but I up again. Then two ed the sixteenth to Crmiston, putting him dormie 2. The finish on the next hole, which despoiled Travis of the title of Ameri-

can champion, was a marvelous one and set the gallery to cheering like mad. Travis played the odd after the drives and made the green. He was sure of a 4 and with a chance for 3. Now Ormiston played. Taking a cleek, although it was only an iron shot, Ormiston played the shot with half force, a favorite approach play of his. The ball hit just short of the green and rolling on true to the line it dropped into the hole for a 2. It was a finish to stir the

blood of every golfer among the bystanders, and the cheers were spontaneous. The hole is of 332 yards and Ormiston's shot that ran down was of about 140 yards. It was the first two ever recorded on the hole, and one will not be made again in many a day. Playing out the home hole for Ormiston's card, they halved in 4. The strokes for the match were:

RACES AT SHEEPSHEAD. Hamburg Belle Captured the Flight

Stakes in Fast Time. Hamburg Belle won the Flight stakes, for two-year-olds and upward, seven furlongs, Futurity course, at Sheepshead Bay yesterday afternoon in a manner that convinced turfmen of the great filly's return to last year's form. She picked up 115 pounds, giving weight to all but the two-year-old St. Bellane. Alan-a-Dale and Hamburg Belle opened equal favorites at 8 to 5, but the Hamburg filly received considerable more support and PLAYED FAST BALL.

The other stake feature was the Russet handicap, for three-year-olds and upward, at a mile and a half on the grass. It was an open betting affair, every horse in the race receiving support. Carbuncle was a receding favorite at 2 to 1, while Shorthose went back a point to threes, as Maj. Daingerfield, Dalesman and Rosetint were all backed down. It was a pretty struggle in the run up the back stretch, and when the field had rounded the far turn it looked as if Carbuncle would be successful. But Odom come through on the rail ful. But Odom came through on the rail with Shorthose, who won, ridden out, by a length and a half in 2.34. Carbuncle hung on to the place, beating Maj. Dain-gerfield a length. The others were badly beaten. E. R. Thomas' Niblick, 13 to 5 favorite, was victorious in the first race for two-year-olds, at five and a half furlongs, Futurity course. He stood a drive from Redfern and won by a length, Workman, who was in front to the last furlong, running second, two lengths be-fore John W. GRAND CIRCUIT TROTS.

Tiverton Easily Won Charter Oak Stakes.

Tiverton in the early betting was a strong favorite for the big Charter Oak stakes at Charter Oak Park, Hartford, yesterday afternoon until he drew the eleventh and outside position. This was regarded as a serious handicap with so large a field of starters, and Sweet Marie, in fourth position, was picked as a likely winner.

Although each heat was a race, so far as the management of the track was conerned, in the pools the betting was on the standing of the horses at the end of the three heats. Dr. Strong gained some fol-lowers after taking the first heat, and his price went up, but Tiverton and Sweet Marie still had the call, and after Tiverton took the second heat the talent saw nothing but him in the race. Dr. Strong came in under a drive in the second heat, but was unable to overtake Tiverton, and the third heat was Tiverton's almost without an ef-

END OF THE STRUGGLE

CHICAGO STRIKE OF BUTCHER WORKMEN DECLARED OFF.

Labor Officials Take Final Action-Conditions Same as Existed Before Walkout.

A dispatch from Chicago last night says: The strike of the butcher workmen, which has demoralized the meat-packing industry throughout the country for the last two months, was officially declared off tonight by President Michael J. Donnelly of the Amalgamated Meat Cutters and Butchers' Workmen of America. This morning Mr. Donnelly telegraphed the members of the national executive committee asking their consent to an announcement of the end of the struggle, and tonight, having received favorable answers from all, he declared that the strike of the members of his organiza-

tion would end at midnight. The strike of the members of the affiliated unions at the stockyards who quit work in sympathy with the butchers will officially be called off tomorrow morning at a meeting of the conference board of the Allied Trades. This was decided upon at a meeting of the central body of the Allied Trades held tonight.

Sentiment Favored Continuing Fight. The general body was at first in favor of continuing the strike, but Mr. Donnelly, who was present, announced that the men were defeated and that in order to save his union from being entirely disrupted he would order his men to return to work in the morning, no matter what course might be taken by other unions. As the other unions had no grievance of their own, but had gone on strike to aid the butchers, there was nothing left for them but to follow the lead of Mr. Donnelly, and they, too, decided to call off the strike as far as they were con-

When the packers were notified tonight that it had been decided to end the strike they announced that they would give places as far as possible to the skilled men, but it was stated at the same time that many of the men would be unable to secure their old places, as in many cases the work was being performed in a satisfactory manner by men who had been secured since the commencement of the strike. It is expected that the majority of the unskilled men will be unable to secure their places again. It was the question of a wage scale for this class of men that brought about the strike, the packers refusing to sign an agreement with any class other than skilled work-

Immense Loss to Both Sides.

During the strike approximately 53,000 persons have been involved in the struggle, which is estimated to have cost the men about \$5,100,000 in wages, as against an estimated loss of \$7,500,000 to the packers in loss of business and in increased expenses. The greatest number of men idle in Chicago during the strike was 26,600, and the total in the country outside of this city is estimated to be

The original cause of the strike was a demand by the butchers' union that the packers pay to the unskilled work-men 18½ cents an hour. The packers refused to sign an agreement, but offered to arbitrate the question. This was accepted, the strikers agreeing to return to work pending the decision of the arbitrators. The men, however, were dissatisfied with the manner in which they were being put to work and declared that they would not return unless all of the men were given their old places in one day. The packers declaring that this was impossible, the men went on strike for the second time. The men now return to work under the conditions that existed before the strike.
